

Report of Munster Records for AGM 11th February 2019

The past year has been another fantastic year with a huge amount of records broken. Limerick SC in particular had an exceptional year. Eoin Mc Gowan and Tom Carby dominate across many record categories both currently holding 15 records each. Limerick SC dominated the Relay with the Men breaking 7 records in total during 2018 with the Limerick girls coming into the limelight in the SC Junior Girls category at the Irish SC Championships in December. Sundays Wolf SC 12 and Under Boy Charlie Cassidy and Marc Gaffney had a fantastic year and an outstanding year. Liam Cullen also from Sundays Wolf in the SC Boys 14 category and Under achieving 8 Records in total 7 of which were achieved at the Irish Open SC Championships in December.

The 11 and Under girls from Dolphin SC Heather Fene and Cara Mc Cormack did very well in the 400 M and 200 B/3 respectively. Where it's not possible to mention every swimmer individually not enough praise can be lavished on all swimmers in their achievements. As the new record holders, those who continue to break records as they move up the age categories and all those potential record breakers out there. Continued success to all.

Four in swimming.
